

Gmail Toolbars Right to Left

Inbox Toolbars

In mail inbox screen with no messages selected (as when you first open gmail)

The first box is to select or deselect all messages.

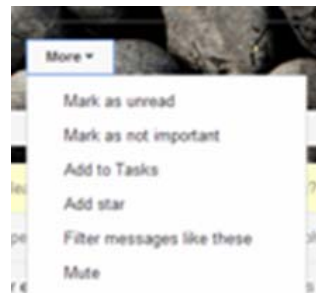

The second box is to refresh the inbox

The third box is “More”. Where other options are hidden.

If you select an email the toolbars look like this:

1. Select/Deselect messages
2. Archive
3. Report as spam
4. Trash (delete)
5. Organize (move)
6. Labels

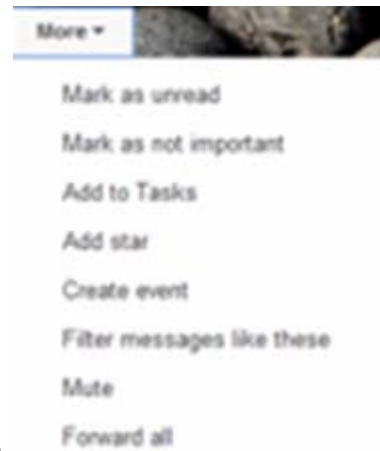

7. More (additional options under here)

Within Gmail Message Toolbars

1. Back to inbox
2. Archive
3. Report as spam
4. Trash
5. Organize
6. Labels

7. More (Additional options found here)
